

# PANEL FABRICATION

## PANEL RECEPTACLE AND DISCONNECT SWITCH ASSEMBLIES

**MODELS PDK, PRK, 51012218**

### DESCRIPTION

These **Panel Receptacle** and **Disconnect Switch Assemblies** combine convenience and function. **Models PRK-S, PRK-FS, and PRK-FLS** provide constant power to the receptacle and can be used to power down the rest of the panel with the toggle switch. **Models PRK-FS and PRK-FLS** include a fuse holder for circuit protection (fuse sold separately). **Models PDK and PRK** are standard single-gang configuration, and **Models PRK-FLS, PRK-FS, and PRK-S** are double-gang configuration. The **51012218** offers DIN rail mounting and convenient push-on wiring.

### FEATURES

- **Prewired**
- **Handy box included**
- **Cost effective**
- **Always hot receptacle**
- **Panel disconnect switch**
- **Pilot light option to indicate closed switch**

**CAUTION:** Receptacle is always hot.
