100260210x

ILI-SIP2 / ILI-SIP4 / ILI-SIP8

SIP Trunking License

DESCRIPTION

The SIP Trunking License is required to establish a SIP-trunk between Vingtor-Stentofon ICX-AlphaCom and a 3rd party SIP-server.

The license allows devices connected to the 3rd party SIP-server to call devices connected to ICX-AlphaCom and vice versa. It is also possible to use services provided by the remote server.

1002602101	ILI-SIP2	SIP Trunking, 2 lines
1002602102	ILI-SIP4	SIP Trunking, 4 lines
1002602103	ILI-SIP8	SIP Trunking, 8 lines

USED WITH
